**RIDE<sup>2</sup>SERVE 2020**

Ride 250 km from Malacca to Singapore! Join us to pedal for One cause in March 2020

Let's all come together as One team to serve a worthy cause by raising funds for Sikh Welfare Council (SIWEC) while forging new friendships, training together and stretching the limits of our endurance in the spirit of "Chardi Kala and Sewa"

SIWEC runs a range of programmes for active and home-bound seniors, financial and emotional support for families in need, academic support for students facing difficulties with studies, as well as counselling support for inmates including aftercare.
